

SUMMIT INTERNATIONAL SCHOOL
STUDENT ON-LINE AND INTERNET CODE OF CONDUCT FORM

Dear Parents and Guardians (GRADES 3-10)

At Summit, congruent with 21st Century Teaching and Learning, we are committed to providing students with access to the Internet through our school computer network system.

The Internet is a rich source of information and opportunities to enhance student learning. However, increased access to the Internet raises issues that must be addressed and understood, such as issues of privacy and internet safety.

We are addressing these safety issues through a “Code of On-line Conduct” which includes “Personal Safety Rules”, “Unacceptable Sites and Materials”, and “Use Guidelines”...

We expect that students will be responsible in their use of the Internet. We are requesting that parents review and reinforce these safety requirements.

Please sign the section below and return the form to your child’s home room teacher.

Thank You,

Yours Sincerely

Mr. Lee Dabagia, Principal
